

SHAMROCK SOUNDS SONG LIST - TOP 600 SONGS

Shamrock Sounds intent is not to show every song in our song library but to show our top 600 songs by song category. The Current Top 40 changes constantly. Please visit www.Billboard.com or American Top 40 at www.at40.com Customers often thank us because they sometimes know a song but don't know the title or artist and then there it is in print to reaffirm their choice. When reviewing the song list, don't be surprised to find yourself saying, "I know that song, I love that song!" Keep in mind, on average about 20 songs per hour can be played by the DJ.
